# Kindergarten - Third Grades

## Student Information

The Kindergarten class is a wonderful opportunity for 4 turning 5 and 5 turning 6 year olds to experience learning in a group setting. We will be studying Spanish, sign language, music, science, and math in a wide range of thematic units. Hands-on experiments, art projects, and centers will give children a fun way to learn about these concepts. Unlike 1st-8th grades, 4 and 5 year olds will stay with their teacher the majority of the day.

Please fill out **completely** for all of your children enrolling in the program.  
The parent is required to volunteer 15 hours per child. This will not be pro-rated.

### Student Information

Please fill out **completely** for all of your children enrolling in the program.

The parent is required to volunteer 7 hours per child. This will not be pro-rated.

**4th-8th grade students will have the option to take a morning independent study hall from 8:45-noon.**

There will be strict rules to be a part of study hall. Failure to comply with these rules will mean the removal of the student from study hall. Elective classes will be capped to keep student to teacher ratios low.

Number of Children Enrolled in the H.E.A.R.T. Program: \_\_\_\_\_

*The actual number of volunteer hours required is based on enrollment. Parents of students in kindergarten through third grade will be required to volunteer roughly 15 hours per enrolled child during the nine month program. Parents of students fourth through eighth grade will be required to volunteer roughly 7 hours per enrolled child. Your final confirmation will show the actual hours you will be serving. Parents of high school students do not owe any volunteer hours.*

## Unit Study

Everyone must be willing to teach a unit study; however, not everyone will have to do so. Unit Study Procedure: Two parents will work on each month's unit study. Each unit study volunteer will get credit for every hour he/she teaches plus one additional "preparation" hour for every week he/she teaches. (For example, a four week unit study could give you a credit for ten teaching hours plus four preparation hours for a total credit of 14 volunteer hours). This year unit study teachers will teach a 35 minute unit study to Kindergarten (12:40-1:15) and two additional afternoon unit study periods to 1st-3rd grade students (1:20-2:15 and 2:20-3:15)

Is it your desire to take on more volunteer hours to reduce your tuition by \$15.00 for each additional hour you serve?

No, I do not want to serve additional hours.

Please return this form with your child(ren)'s registration form and releases. By August, you will be notified as to where and when you will be serving.
