## Kindergarten- 3<sup>rd</sup> Grade: Student Information

The kindergarten class provides a wonderful opportunity for students to experience learning in a group setting. We will be studying Spanish, sign language, music, science, literature, and math in a wide range of thematic units. Hands-on experiments, art projects, and centers will give children a fun way to learn about these concepts. Unlike 1<sup>st</sup>-8<sup>th</sup> grades, the kindergarten class will stay with their teacher the majority of the day.

\*\*Students must turn 4 on or before August 12, 2021 to enter Kindergarten. Students must turn 6 on or before September 1, 2021 to enter the Teal team.

Please fill out **completely** for all of your children enrolling in the program. The parent is required to volunteer 15 hours per child. This will not be pro-rated.
