Kindergarten- 3rd Grade: Student Information

The kindergarten class provides a wonderful opportunity for 4 turning 5 and 5 turning 6 year-olds to experience learning in a group setting. We will be studying Spanish, sign language, music, science, literature, and math in a wide range of thematic units. Hands-on experiments, art projects, and centers will give children a fun way to learn about these concepts. Unlike 1st-8th grades, the kindergarten class will stay with their teacher the majority of the day.

Please fill out **completely** for all of your children enrolling in the program. The parent is required to volunteer 15 hours per child. This will not be pro-rated.
